TOKEN AND MEDAL MAIL BID SALE # 28 - Closes Thurs., Oct. 1, 1987

There is a wide variety of material in this sale, and many better items, so check through the listings carefully. I always need to buy exonomia of all types; what might you have for sale? Please consider selling it to me or consigning it to my next sale. No buyers premium or surcharge in my mail bid sales.

MAIL BID SALE RULES & TERMS

1. All bids for this sale must be received no later than the above closing date. All lots sold to the highest bidder. If tie, lot goes to bidder with higher winning dollar total.
2. Minimum bid is 75¢ per lot, unless noted otherwise. Unreasonably low bids may be rejected; unreasonably high bids on common or low value items will be reduced. Bid a definite dollar and cents amount per lot. Estimates when given are generally conservative.
3. Winning bids over \$10 will be reduced to a 20% advance over the next highest bid whenever possible, up to a maximum reduction of 50%. Bids will not be reduced to under \$10 (except possibly when duplicate specimens are available). If duplicates of a lot are sold, the top bidders all get the lot at the same reduced bid.
4. You may phone in your bids (9AM to 10PM my time). Current high bids will not be revealed. Bidding advice will be given within reason. I will let you know if your bids are high or not, and if not, you may raise them, but I won't reveal if you raised them enough to be current high bidder. To find out if you're the highest, you can call back another day to repeat the above procedure (only one call per day) through closing day. Sale ends when 20 minutes goes by without a call after 9PM on closing day.
5. Established bidders will be sent lots with bill and invoice within 2-3 weeks after closing. Others will be billed first. Please pay promptly upon receipt of lots or statement. Postage, insurance, and a 50¢ handling charge will be added to the bill. There is no other buyer fee. Calif. residents must pay sales tax or provide a resale certificate.
6. The Prices Realized list is available for \$1.00, or 50¢ & SASE in advance. Subscription to next 4 sales (catalogues only) is \$4.50. With Prices Realized, \$6.50. (For Canada, \$6.50 and \$8.50; for foreign \$10 and \$13.)
7. Lots may be returned within 5 days of receipt if there is an error in description or material sent. Check your bids for errors and keep a record of your bids. You are responsible for your bidding errors.
8. The lot descriptions generally follow the pattern: Obverse/Reverse; metal, size in mm, condition. See inner back cover for abbreviations used. The illustrations are pencil rubbings or photocopies, and are reduced in size. Cities or states in parenthesis are not on the tokens; objects pictured or comments are also given in parenthesis.

☐

Time to renew your subscription (see #6 above, or below, for rates); not essential in order to receive next sale catalogue, unless box below is also checked.

☐

You are on the verge of being dropped from my mailing list. To continue receiving future mail bid sale catalogues, either subscribe, or be a successful bidder in this sale.

☐

As you have been an inactive subscriber, or bought less than \$15 in auction material over the last four sales, (re)subscription rate is \$8, or \$10 with PRs; \$10 or \$12 for Canada; \$12 or \$15 for foreign.

CONSIGNMENT 28G

TRANSPORTATION TOKENS:

This consignment contains most of the unsold material from Cons. 27Q of last sale, plus much new material. The consignor said "List separately all tokens cataloging \$1.00 or more each, and put all the rest into a bulk lot." That is what has been done below; don't overlook that super bulk lot #1418.

Remember, the minimum bid is 75c; bids under \$1 are encouraged as this material must be sold. An asterisk (*) indicates more than one piece available-so multiple bids OK on those lots. All tokens are in decent to nice collectable condition, unless noted.

If you are bidding on a limited number of lots, please use every other line and column below, to make the bid sheet easier to read.

[illegible]

APPROXIMATE SALE TIME SCHEDULE:

Catalogue mailed about 5 weeks before closing date.

Three days before closing is the latest you should mail in your bids for them to arrive in time. There is no guarantee, as delivery sometimes takes more than 3 days.

Lots are mailed to successful bidders one to three weeks after closing. I ship them out alphabetically by last name. If you're near the end of the alphabet and the delay bothers you, let me know and I'll send yours out earlier.

Please pay immediately upon receipt of lots you won.

Prices realized list is prepared and mailed about 3 weeks after closing. Consignors paid 5 to 7 weeks after closing.

CONSIGNMENT INFORMATION (Effective with Sale 22)

Consignments are needed for future sales. Better material is preferred. I will group low valued items into multiple-item or bulk lots. Loose material is acceptable. Commission rates are as follows: 35% on lots selling for under \$3.00; 25% on lots selling for \$3.00 to \$10.00; 20% on lots selling for over \$10.00. There will be a charge of 50¢ for each lot that receives no bids (if you set a minimum-bid, the charge is \$1.50 or 10% of reserve, whichever is higher). No limit on consignment size; if very large, write first.

OLYMPIC BUS TOKEN SETS:

For sale at \$17.50 per cased set, postpaid. (This is at my cost.)

I will trade a set for your older tokens of equivalent value. Please write and propose a trade.
